The 'Best of Italy' Tour

Venice, Bologna, Florence, San Marino, Adriatic Coast & Rome
9-night / 10-day Tour May 29th – June 7th, 2022

DAY 1 – Sunday, May 29th – Departure Day

- Departure from Pittsburgh International Airport (or local international airport) destined for Italy. Overseas flight itinerary includes on-board dinner and entertainment. You will also be served a light on-flight breakfast before arrival.

DAY 2 – Monday, May 30th – To Venice with Stop in Verona

- Flying forward in time, arrive at Milan Malpensa International airport in the early morning. After customs meet your bilingual tour manager. You will be provided time for the exchange or securing of Euros, rest room use to refresh and time to grab a snack.
- Subsequently load your motor coach and depart for Venice with scheduled stops at Sirmione for lunch then onto Verona for touring and dinner. The motor coach ride across northern Italy will allow for some needed sleep before you enjoy a spring afternoon in Italy.
- Upon arrival in **Sirmione**, an engaging peninsula that juts out into **Lake Garda**, you will be awed by the sheer natural beauty of this turquoise body of water at the base of the Italian pre-Alps. Stretch your legs strolling the charming streets, enjoy your first authentic Italian lunch and make sure you take in the impressive Castello Sagliero which seemingly sits on the water and if possible, the Roman ruins at Grotte di Catullo.
- By mid-afternoon the group will move on to nearby **Verona**, a World Heritage Site as declared by UNESCO. You will be immediately impressed with the remarkably well-preserved Roman amphitheatre – a mini-version of the Coliseum in Rome – that still hosts concerts and other productions. You will receive a **guided tour** through Verona's enchanting streets, known as the city of lovers, as this is home to the Romeo and Juliet legend as written by Shakespeare. Just as Romeo did, walk into the courtyard looking up to Juliet's balcony. You will have some free time to shop before the group gathers for dinner in a local restaurant.
- After dinner, transfer east to the Venice Mestre area to check-in to your overnight hotel. After a very full, introductory first day in Italy a good night catching up on sleep may be best to help you enjoy the absolutely unique city of Venice and the many tour days that remain.

Day 3, Tuesday, May 31st – Venice – "The Floating City"

- Have a hearty breakfast then load your luggage on to your motor coach. You will then be driven to a private boat transfer where you will cross the Venice Lagoon to dock next to striking San Marco's Square.
- Enjoy a **guided tour of Venice**, the second most visited city in Italy. The unique atmosphere of the 'city of water' and its ever-present canals amazes all visitors.

- After your tour, you will have free time to enjoy lunch in small groups possibly in a quaint courtyard or on the Grand Canal looking upon Rialto Bridge. Afterward continue exploring the narrow streets and countless footbridges of Venice. You can be fascinated with a tour of a glass-blowing shop or climb the Campanile in San Marcos Square for a birds-eye view of Venice. It is strongly suggested you take a likely once-in-a-lifetime ride on a gondola that hopefully travels the canal under the Bridge of Sighs.
- In the late afternoon you will be return to your motor coach then transfer to Bologna (2 hours) which will be your base for three nights.
- Upon arrival in Bologna, check-in, refresh and immediately enjoy a delicious dinner.
- The evening is at your coach's instruction.

Day 4, Wednesday, June 1st – Bologna

- After breakfast become familiar with Bologna as you receive a **tour from a local guide**.
- Though overshadowed by the more famous cities of Italy, **Bologna** consistently thrills and charms visitors. Home to the oldest university in Europe and a high-percentage of students Bologna has a terrific, endearing vibe. Enjoying its distinctive on-going arcades, its own 'leaning tower' of Garisenda, outdoor piazzas, markets, it's passion for sports and *tremendous* cuisine that make Bologna a fabulous city to visit.
- After the late morning tour, Bologna will be yours to explore. Do so in a relaxing fashion as you assimilate into the more relaxed pace and *la vita dolce* – "the sweet life" – of Italy.
- At this tour stop there may be an opportunity to co-practice in the late afternoon or evening with the local American Football American Club, the Bologna Warriors.
- Around practice the team and tour group will have dinner. Should a practice take place a drink and food social with the Warriors would be a spectacular event.
- The later evening will be at your coach's instruction.
