### **\*Tour Pricing Clarifications**

- Pricing is based on an exchange rate of 1 Euro to 1.08 US dollar. In the case of a change in the exchange rate between now and final payment, AFW will absorb the difference up to 1.10US\$. At final tour payment, should the Euro-US\$ exchange rate rise above 1.10US\$, the traveler will be responsible for the change in exchange rate above 1.10 measured as of the late March 2023 final billing date.
- Tour pricing is based on double occupancy. Single rooms are available, however in Europe there is a 'single supplement' and pricing in Europe is high. For those wanting single accommodations the additional fee supplement for the entire week is \$600. If questions or interest, contact the tour coordinator.
- Pricing is on a cash basis. Travelers can choose mode of payment that best suits their interests. Credit/electronic payment transaction fees are added by the processor when the transaction takes place. Payments can also be processed by ACH payment (smaller fee) or mailing a check to AFW (see below).
- Expansive travel insurance is not a part of the tour price. AFW travelers are provided with travel insurance that covers minimal aggravations such as delayed/lost luggage and for travel delays covered specifically by the policy. Travelers are encouraged to give consideration to their personal interests and the possibility of purchasing additional travel insurance through an agent or on-line that meets their personal needs. Contact AFW if questions or we can be of further assistance.

### **COVID/Public Health Considerations\*\*\***

- Due to consistently emerging developments brought on by COVID, tour adjustments may take place as needed to ensure the safety of all travelers.
- At this time, **documentation of personal vaccination will be required in order to travel to these destinations** as well as to utilize the services provided on AFW tours. AFW will not be responsible for financial loss incurred if travelers fail to produce these documents as may be required.
- Beyond the deposit and per terms of the cancellation policies below, additional tour funds deposited by a traveler will not be forwarded for services in Europe where they can be put at risk until in consultation with the head coach a determination is made that there is belief the tour will proceed safely next May.
- Once a payment/deposit is made for services overseas, AFW cannot guarantee full recovery of funds.

### **Modes of Installment Payment and Final Payment**

- For check/money order payments to AFW, please make out to "American Football Worldwide" and mail payments to AFW, PMB #201, 4343 16<sup>th</sup> Street, Moline IL 61265. This mode saves on transaction fees.
- Installment payments can also be made by electronic/credit transactions by creating an account with WeTravel during or after registration ([OWU Football Spain Tour 2023](#)). Installment payments (after registration) can also be made at [www.americanfootballworldwide.com](http://www.americanfootballworldwide.com) processing through the MAKE A PAYMENT tab. If questions call AFW at +1 (309) 781-7274 during business hours.

### **Additional Preparation & Potential Expenses:**

- **Passports** – If you do not have a passport, *please secure one as soon as possible*. Reportedly, passport processing can take up to four months at this time. If you possess a passport, please look at the expiration dates as to enter Europe next May it must be valid *through almost all of 2023*. AFW will not be responsible for tour financial losses due to travelers not securing proper documentation.
- **Some Meals** – Breakfast, 5 dinners and Game Day lunch are provided. When out touring, before or after a guided presentations free time will be offered for you to separate into small groups to explore as well as to enjoy a lunch of your preference at a café, tapas bar, bistro or restaurant.
- **Personal Souvenirs**
- **Tips** – There is no expectation for tipping at group meals. Small tips (1€) for daily tour guides are encouraged. When dining out meal tipping in Europe is small compared to US standards as servers in Europe have higher wages than in the US. 'Rounding up' the bill to 'leave some change' is recommended. At the end of the week tips for your tour manager and the bus driver are customarily expected. Guidelines for tipping will be provided.
- **Covid Testing** – If still required by US government for reentry, travelers may be responsible for the testing fee.

### **Medical and Travel Insurance:**

- Travelers should consult with their health insurance carriers regarding coverage in Spain. If you are not covered, you are encouraged to consider purchasing insurance.
- Student-athletes will be required to have medical insurance covering athletic participation. AFW will work with the school to make certain they have coverage in place as would be the case during the fall season.

**Tour Interruption:** AFW is not responsible or financially liable for damages occurred due to cancelled or delayed flights. Deference will be given to professionals and agencies within the air travel industry as to proper flying conditions. In the case of flight delay or cancellation, AFW will do its very best to accommodate travelers in an effort to maintain as high a quality of tour experience as is possible under the changed circumstances. For additional protection, you are advised to consider the purchase of travel insurance that may compensate you should something of this nature occur.

**Additional Baggage Information:** As departure approaches you will be informed of a typical travel 'packing list' and how to do accomplish meeting the airline allowance of one checked bag and one allowable carry-on item such that no additional costs are incurred. Not following these instructions can lead to extra charges for baggage. Additional charges will be incurred at the traveler's expense.

### **Cancellation Policy & Penalties:**

- Should sufficient registration take place and the Head Football Coach confirm the tour, the \$150 tour deposit is non-refundable in order to reserve services and to try and maintain pricing for all registrants.
- After October 1, 2022 \$350 is non-refundable due to additional financial commitments made in Europe.
